FOR IMMEDIATE RELEASE

Press & Booking: **Dicey Grenor, author of 11 works of racy fiction**
As of September 2017, Houston, Texas

Dicey Grenor is a wife, mother, attorney, and author of racy fiction. She enjoys being analytical and thinking outside the box in professional and creative contexts. Thirsty for knowledge, she earned a Bachelor of Science, Master of Public Administration, and Juris Doctor degree. Passionate about creating fiction, Dicey wrote her first novel, SHAMEFUL, and published it in 2011. This taboo novel set the tone for her brand of sexy, wild, daring, and risky stories, in which she thrives on writing quirky, multilayered characters in intense, unpredictable plots.

Fascinated by supernatural creatures and the dark side, Dicey also published SLEEPY WILLOW'S BONDED SOUL, Vol. 1 of The Narcoleptic Vampire Series, in 2011. In November 2016, Dicey published SLEEPY WILLOW'S REDEEMED SOUL, the seventh book in this erotic urban fantasy/ horror series, her tenth book overall. Expanding Dicey's risqué persona into scriptwriting, she recently co-wrote SIN, a short film, set for production soon. As a bonus for fans, she released THE SOUL PAINTER, a twisted paranormal romance short story, in August 2017. She is proud of her multicultural characters and ignoring typical genre formulas.

Currently, Dicey is balancing roles as a wife (10 years) and mom (2 children) with writing FAST FRIENDS, DESPERATE LOVERS, the sequel to BEST FRIENDS, FANTASY LOVERS, a rock-n-roll erotic romance. When she's not writing, Dicey enjoys working out, watching TV and movies, reading, and attending comic cons, porn conventions, and rock concerts.
